

TWIN PEAKS 2 HUNTINGTON BEACH

ONE HUNDRED MILE CENTURY FUN RIDE

SEPTEMBER 8, 2019

Mountains 2 the Beach (M2B) began in August 2012 as four friends riding their bicycles for fun, from Crestline, CA to Balboa Beach, CA. The following year, the mission changed. On February 12, 2013, the residents of San Bernardino County suffered a great loss when Detective Jeremiah MacKay was killed in the line of duty, and Deputy Alex Collins was severely wounded in the San Bernardino Mountains. Both deputies were protecting the public they served. In August 2013, the original M2B team decided to ride with a purpose. The team members added a few more friends and raised money to give to the MacKay and Collins families. Over the past seven years, the ride has grown, giving cyclists the chance to help many families who have lost their loved one in the line of duty.

This year marks the 8th Annual Mountains 2 the Beach Memorial Cycling Event. M2B has teamed up with the Inland Empire Blue Belles, a California non-profit focused on A Sisterhood of Support for the Thin Blue Line.

Together, our goal is to create a memorial cycling event honoring all our fallen Inland Empire Law Enforcement heroes killed in the line of duty. M2B rides each year to let their families know we will never forget the ultimate sacrifice their loved ones gave serving the citizens of our counties.

Join us September 8, 2019, for this 100-mile ride, from Twin Peaks to Huntington Beach, and help us to honor those who have sacrificed everything for our families.
